Graham of Menteith, (Red)

Clan Tartan

Source: Kinloch Anderson

Made to the order of an American customer by Kinloch Anderson of Edinburgh. The sample in the STS archive was obtained in 1983 and was labelled 'Red Montrose'. The sett is the same as the Menteith with the green changed to red. Wilson's of Bannockburn produced a red 'Montrose', similar to the MacNaughton, in 1819.
